Mr. Miller,

Hello sir. I and the GIS team at Harris County Budget Management are currently preparing a series of maps concerning the San Jacinto River Waste Pit Superfund Site for one of our commissioners. In an effort to produce the most accurate product, we are currently in search of a shapefile of the San Jacinto River Waste Pit Cap (or any other available shapefiles concerning the site in question). We would be eternally grateful for any assistance you can offer and thank you in advance for your help.

Warmest regards,

James Leatherwood
